## PRAYER ACTION

Write a sentence or draw a picture in response to this statement:

### **BECAUSE GOD LOVES ME, I...**

1 John 4:7 - 11

Dear friends, we should love each other, because love comes from God. The person who loves has become God's child and knows God. Whoever does not love does not know God, because God is love. This is how God showed his love to us: He sent his only Son into the world to give us life through him. True love is God's love for us, not our love for God. God sent his Son to die in our place to take away our sins. That is how much God loved us, dear friends! So we also must love each other.

# W E L C O M E

We are so glad you've chosen to worship with us today. It is our desire to welcome you and offer the opportunity for you to engage in worship and teaching from the Word of God. Today our time of worship looks a little different as we invite everyone, young and older to worship together.

There might be a little more movement and a little more noise as we are invited to participate in worship together but that is ok!

If you are here for the first time, we especially welcome you!

## ANNOUNCEMENTS

Washrooms are located just outside this room to the left. There is an accessible washroom as well as an infant change table located there.

There is a nursery located down the hallway on the right. Parents are invited to make use of this if a quiet space is needed for infants.

Everyone is invited to remain after the service for a brief time of debrief and learning.

All other announcements, ministry information and other church information can be found on the website.

## SERMON NOTES

God is love and he poured out his love to us.  
How do you see God pouring out his love?

God showed his love by sending his one and only Son Jesus to die for our sins.  
What does it mean to you that Jesus is your Saviour?

Since God is love, we too have been created to love.  
How do we understand our identity as people created to love?
