God's love, hunger and how we can help

God Calls Us to Be Part of the Solution

Let's dig in!

- Hunger is a huge problem. I wonder... do you think we can fix it? Why or why not?
- What do you think kids can do to help?
- Do you think it honours God when you serve others? Why or why not?
- Are you a good planner? Problem solver? Who in your family is good at that?

Our Big Idea:
God invites us to help fix problems like hunger by caring, praying, and acting.

Let's look at the bible...

James 2:15-17

15 Suppose a brother or a sister is without clothes and daily food. 16 If one of you says to them, "Go in peace; keep warm and well fed," but does nothing about their physical needs, what good is it? 17 In the same way, faith by itself, if it is not accompanied by action, is dead.

Micah 6:8

He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God.

Let's dig into the story!

- What does it mean to show our faith through actions?
- Which way of helping hungry people excites you most?
- How can we keep helping, not just once?
- Work with your family to come up with a plan for how to help hungry people at home and around the world.

Prayer prompts:

God help me have eyes to see who needs help...
God, help me have a heart to know how I can help...

God, thank you for all the people who help feed hungry people...

God, please put people in place to care for those who are hungry.

God, how can I help in the solutions for feeding the hungry?
