

What is your favourite 'date' memory of us?

What movie reminds you of us?

What is your favourite thing I ever did for a special occasion for you?

Excluding me, which of your friends would you choose to be on a desert island with, if you had to choose only 1?

When you wake up in the middle of the night what do you think of?

What topic would keep you up all night talking?

If you could relive a year in your life, which age would you choose?

If you could write a note to your younger self, what would you say in only 3 words?

If you could eat only 1 meal for the rest of your life, what would you choose?

What's a question you've always wanted to ask me but never have?

In what ways have I changed since we first met?

If you could wake up tomorrow having gained one quality or ability, what would it be?

When did you first know you loved me?

What is the best and worst piece of advice anyone has ever given you?

If you became Prime Minister tomorrow, what is your first act of business?

What a favourite memory from your childhood?

Excluding me, if you could spend a day talking to one person, who would it be?

When is the last time you tried something for the first time?

What is your favourite memory of us?
